Education

Bhagwan Parshuram Institute of Technology

2025 – 2029

Bachelor of Technology in Information Technology

Delhi, India

Relevant Coursework

- Data Structures
- Algorithms Analysis
- Artificial Intelligence
- Software Methodology
- Database Management
- Systems Programming

Projects

Student Grade Tracker | C++ | [GitHub](#)

2026

- Built a console-based application in C++ to record student grades and automatically calculate subject-wise and overall averages.
- Designed a menu-driven interface allowing users to add, view, and update student records during a session.
- Used structured, modular functions and in-memory data structures (arrays/structs) to organize and process student data.

Calculator | C++ | [GitHub](#)

2026

- Developed a console-based calculator in C++ supporting core arithmetic operations with input validation.
- Applied conditional logic and function decomposition to handle multiple operation types cleanly.

Technical Skills

Languages: C++, Python, JavaScript, HTML/CSS

Frameworks/Stack: MERN (MongoDB, Express.js, React, Node.js)

Soft Skills: Communication, Teamwork, Collaboration, Adaptability, Time Management, Problem Solving

Achievements & Leadership

Smart India Hackathon (SIH)

2026

Team Leader

Bhagwan Parshuram Institute of Technology

- Led a team of 5 first-time hackathon participants, taking initiative to figure out problem-solving approaches and technical direction on the fly with no prior roadmap.
- Coordinated task division and kept the team aligned under time pressure, mentoring teammates unfamiliar with the hackathon process.

Anveshan (Coding Society)

2025 – Present

Junior Council Member

Bhagwan Parshuram Institute of Technology

- Serve as a Junior Council member of the college's coding society, supporting the planning and execution of 5+ coding events and 2 workshops for students.

Drishti (Rotaract Society)

2025 – Present

Joint Professional Development Director

Bhagwan Parshuram Institute of Technology

- Serve as Joint Professional Development Director, co-organizing professional development initiatives and events for club members.
